Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Monday 10 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells on Monday. Scattered showers developing, some heavy.

Today:
A dry and bright start with sunny spells. Some showers will readily develop, becoming heavy at times later. Light winds so feeling quite warm in the sunshine but winds picking up a little around the coast later. Maximum temperature 15 deg C (59 deg F).

Tonight:
A few showers lingering overnight especially for Central region and quite a lot of low cloud forming inland, clearer around the Fife coast. Minimum temperature 8 deg C (46 deg F).

Tuesday:
Cloudy conditions should clear with quite a bright morning, some showers popping up in the afternoon once again, some quite heavy. Clouding over in the evening. Maximum temperature 14 deg C (57 deg F).

Outlook for Wednesday to Friday:
A mix of sunshine and showers but often quite cloudy around the coasts with haar forming in lighter winds. Feeling warm where the sun is out.
